PROJECT IMPACT

5

- Advanced brainstorming ahead of the project submission
- Search for project-related materials from the partners
- Sharing of the work to be accomplished / confidentiality
- Trigger formalisation
- Video conferences + 4 transnational meetings
- 6 months to define the schedule

PROJECT MANAGEMENT

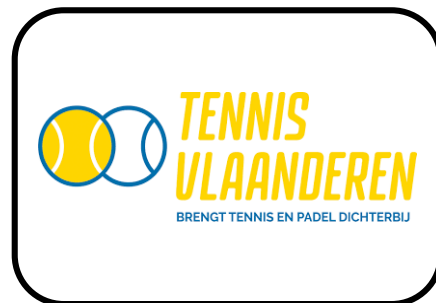

- Very interesting and informative mission
- Great responsibility, including financially
- Time consuming
- National Information Desk at our disposal
- Change of documents / method by the EU agency from the application to the project
- How can partners be actively mobilised ?
- Difficult to keep on schedule when dealing with dedicated sports managers on the international circuit
